TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Covent Garden Market stands on a space which as far back as 1222 was the convent garden of Westminster. It is still consecrated to flowers and fruits, which are brought hither from all parts of the world, and from this centre find their way all over the United Kingdom. The rarest blooms and choicest fruits can always be obtained here, and to view the market in the early morning in the flower season is one of the sights of London.

(FOR ADDRESS ONLY.)
